**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 26-29, 31, 33-36 are allowed.
1. The following is an examiner's statement of reasons for allowance: independent claim(s) 26, 35 and 36 teach a vending machine with an electronically controlled lock that has an addressable switch that communicates with an audit device.
2. The closest prior art of record, Myers and Kolls, does not teach an addressable switch in a vending machine that is controlled by an audit device. Therefore, independent claims 26, 35 and 36 are allowable over the prior art.
3. Claims 27-29, 31, and 33-34 are allowed by the same rational as well as the further limitations added by these dependent claims.
4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

**Conclusion**

1. This application is in condition for allowance except for the following formal matters:  
The foreign patents with document numbers' 04253294 and 10105802 and Non-Patent document titled Antronics LTD Case Study listed on the IDS filed 10/5/05 were not received by the PTO, thus copies are requested.

2. As allowable subject matter has been indicated, applicant's reply must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP § 707.07(a).

1. Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213. A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephan Willett whose telephone number is (571)272-3890. The examiner can normally be reached Monday through Friday from 8:00 AM to 6:00 PM.

3. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Andrew Caldwell, can be reached on (571)272-3868. The fax phone number for the organization where this application or proceeding is assigned is (571)273-8300.

1. Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (571)272-2100.
